WINERY	Santiago Reta is the man behind the Rhône-infused, garagiste label Finca La Escarcha. His 64-acre vineyard is dedicated to the voluminous, aromatic whites and the dark, earthy reds of southern France. With total production under a thousand cases, only the most select blocks are dedicated to his wine. Entrelineas, or between the lines, is a fitting name for Santiago's flagship varietal wines. A play on a literary reference that values the inexplicit over the obvious, these small release wines are made from vines planted in the chalky striations identified from the vineyard's original soil mapping.
