VINEYARD

The Cuesta de los Olivos vineyard, on south-facing slopes of decomposing red slate, is surrounded by olive trees on Finca Millara's original terraces.

ALCOHOL

13%

PROCESS

The fruit is hand-harvested and meticulously sorted twice. Native yeast fermentations occur naturally in French oak barrels. Aged on lees in barrique for 8 months.

TASTING

An elegant Godello that displays a white Burgundy-like finesse. Flavors of peach and lemon are finished with hints of dried thyme and wet stone. Pairs nicely with raw seafood, grilled white fish, or rich cheeses.

WINERY

Finca Millara was built on the vision of Fernando de Santiago, an undertaking he kicked off nearly 20 years ago. To amass enough workable vineyard acreage, Fernando reached out to hundreds of small property owners, many with sites that had been long abandoned of farming; he has spent years rehabbing and replanting vines and rebuilding their original stone terraces. The vineyards are maintained now as they were; worked by hand on the impossibly steep slopes above the Miño River without the use of herbicides.

WINEMAKER

Finca Millara's modern facility is under the care of oenologist Julio Jose Mourelle Lopez. Julio has around the world experience, most notably advising Stags Leap and Sterling Vineyards in Napa as well as Dominio de Valdepeña (which belongs to Marqués de Griñón) in Spain.
