This wine has a bright, raspberry-pink color with lively violet hues. It has strong fruity aromas of strawberries and citrus along with sweet hints reminiscent of caramel. Refreshing and boldly fruity on the palate with a good balance of freshness, acidity and a hint of fruit sweetness.

WINERY

The Las Flechas de San Martín wines are sourced from some of the finest Garnacha vines in the area and made in the oldest winery in Navarra Province, San Martín de Unx. Many of the vines are planted on gentle hillside slopes— a unique characteristic of the Navarra landscape. The vines are non-irrigated, low-yielding, and produce high-quality Garnacha which faithfully reflect the nature of the terroir.
