### VINEYARD

Certified sustainable and selected from the best micro-parcels in the Idahue Estate. Seven clones of Cabernet Sauvignon are planted across 66 small blocks. Double Guyot pruning promotes desired vigour and yield control.

Located 15 miles from the Pacific Ocean, La Ronciere's ambitious 500 acre Idahue Estate is their vision for the future. Prevailing coastal breezes, abundant sunshine, and rolling hills of ancient soils culminate in a privileged climatic and geological landscape. Years of research and a forward-looking approach drove the successful effort that saw Licanten granted D.O. status in 2018.

### PROCESS

Hand-harvested and field-sorted. An additional sorting occurs at the winery before the grapes are fermented in temperature controlled micro-fermentation tanks. Aged in French oak for 10-12 months.

### TASTING

Intense aromas of black fruits, notes of dark chocolate, and roasted coffee. The palate is round with polished, juicy tannins and a finish that leaves a lasting impression.
