VINEYARD

Planted in 1920, El Barranco del Oso, is located between Labastida and Briñas in a prime growing area called The Bear Canyon.

PROCESS

Grapes are brought to the winery in small crates, sorted, and macerated on-skins for 24 hours prior to destemming, pressing and a cold fermentation in oak foudre. Aged for an additional 10 months in the same foudres (5 months on lees). Daily bâtonnage adds great structure and complexity.

TASTING

Dandelion yellow hints the rich golden color. Aromas of wild herbs and citrus are accented with toast and chalk. The fresh, mineral structure delivers a velvety mid-palate and bright, lengthy finish.

WINERY

The Fernandez Gomez family has a history in viticulture that stretches back for more than a century, but it was the vision of the latest generation that first brought their production to the commercial market through the emergence of Bodegas Tierra. With nearly 80 acres of prime vineyard holdings in Rioja Alavesa, some containing original hundred-year-old plantings, it's not surprising Tierra quickly earned an impressive reputation as an estate grower and producer. Efforts taken by Tierra focus on maintaining grape integrity from vineyard to bottle so true character is maintained and expressed.
