VINEYARD

Planted in 1925 and carefully hand-harvested, Tierra Fidel Blanco is sourced from one of the oldest blocks in the Revilla vineyard.

PROCESS

Grapes are brought to the winery in small crates, sorted and destemmed prior to fermentation in stainless steel tanks. Moved to 225 liter barrels made with American oak staves and French oak heads for four months. Daily bâtonnage on lees adds great structure and complexity.

TASTING

Light in color with brilliant straw hints. Effortless aromas of yellow plum and peach are accented with brioche and white pepper. The long, minerally finish delivers a refreshing transition from the unctuous mid-palate. Easily pairs with a range of savory and sweet dishes.

WINERY

The Fernandez Gomez family has a history in viticulture that stretches back for more than a century, but it was the vision of the latest generation that first brought their production to the commercial market through the emergence of Bodegas Tierra. With nearly 80 acres of prime vineyard holdings in Rioja Alavesa, some containing original hundred-year-old plantings, it's not surprising Tierra quickly earned an impressive reputation as an estate grower and producer. Efforts taken by Tierra focus on maintaining grape integrity from vineyard to bottle so true character is maintained and expressed.
