BODEGAS Y VIÑEDOS

ORIGIN	D.O. Ribera del Duero Piñel de Arriba moorland
DESIGNATION	Crianza
VARIETIES	85% Tinto Fino (Tempranillo), Cabernet Sauvignon, Merlot
ALCOHOL	14.5%
OVERVIEW	Elegant, profound and long. This wine is the reflection of a winery that makes high elevation wines. A serious Crianza, with body and minerality, a fresh, taut sensation, and aromatic tannins through a long finish.
VINEYARD	From the "La Revilla" estate at just over 3,000 feet in elevation. The vines are planted in limestone soils marked by veins of clay. The average age of the goblet pruned vines are 25 years.
PROCESS	<p>The Crianza is a blended wine made with grapes from a diverse selection of plots with varying soils, exposures and altitudes. Traditionally fermented with indigenous yeasts that are uniquely adapted to express the various terroirs.</p> <p>Maturation is two-part and occurs over 12 months in 90% French oak barrels and 10% American oak barrels followed by an additional year in bottle.</p>
TASTING	Cherry red with medium-high color density. Fruity aromas of blackcurrant and strawberry compote with spicy and toasted notes. Pleasant on the palate with fine, well-integrated tannins, precise volume and a fresh mouthfeel thanks to its lively acidity.
