

VIÑA ALJIBES

ORIGIN

Vino de la Tierra de Castilla
Albacete, Castilla-La Mancha

VINEYARD

From sustainably-farmed estate vineyards in the municipality of Chinchilla of Montearagón, Albacete. Soils are a mix of well-draining clay, chalk, and limestone and well suited for both traditional and international varieties.

PROCESS

Our sangria is made in small batches to insure a quality product full of flavor showing fresh fruit and citrus flavors. High quality red wine from our vineyards are infused with a touch of cane sugar and natural citrus essences extracted from the very best quality fruit money can buy.

TASTING

Refreshing with red fruits, orange peel, lemon and a hint of cinnamon and sugar.

WINERY

Sitting atop a high desert plateau in the eastern reaches of Albacete, Viña Aljibes is surrounded by 440 acres of vineyards at nearly 3,000 feet. The arid climate, high altitude, and sandy soil favor the low-yield, long-maturing varieties that assert the classically rounded La Mancha style. Viña Galana is devoted to making high-quality, modern wines in which functionality and value do not come at the expense of sustainable practices and meticulous winemaking.

KeyKeg Specifications

Volume	20 liters (5.28 gal)
Diameter	240 mm (9 7/16")
Height	572 mm (22 7/16")
Cycle	Single use
Connection	Universal 5/8" KeyKeg Coupler
Avg. Working Pressure	6 - 51 psi
Burst Pressure	>174 psi
Temperature Range	0 - 40 °C 32 - 104 °F
Max CO2 Level	7.1 g/L / 3.5 vol
