## TASTING

Lively and medium-bodied, Viña Cartín Albariño is brimming with citrus and stone fruit aromas. The lightning-like acidity typical of coastal Albariño is slightly tempered during production; a small percentage goes through malolactic fermentation, subtly broadening the mid palate in the final blend. The finish is bright and well structured – perfect for pairing with fresh seafood, roasted vegetables and Thai dishes.

## WINERY

The Val do Salnés, the oldest of the five sub-regions that comprise Rías Baixas, is home to Viña Cartín. From its founding in 1977, Viña Cartín has grown to nearly 50 acres of coastal estate vineyards with an average vine age of 30 years old. With a commitment to natural farming, technologically sophisticated vinification and a 100% Albariño-dedicated production, they've honed their craft of producing a fun, approachable wine with obvious complexity and modern refinement.
